Little Angels

Happy Easter! With the Easter season among us our classroom has been celebrating 'new life' inside and outside as well! Outside, we are observing the trees blooming, birds singing and flowers blossoming, while inside we are really eager to learn more about our class pet, Willie!

Also, with the weather changing, please remember to turn in your consent for sunscreen/bug spray and please supply accordingly.

Lastly, a warm welcome to our new student, Rosalena Villegas!

Sincerely,

Miss Janelle and Ms. Carolyn

Little Saints

The Little Saints are so happy the weather has been nice. We are playing outside twice daily. We see the changes in the trees, we hear the birds, and we count the airplanes flying over. In the classroom we are staying busy during work time. We are encouraging the children to stick with the work they choose and having them repeat it several times. Once they master it, then they may choose a new work. This can be challenging with one and two year olds, but we have seen success and it helps increase attention span. We'd like to welcome our new classmate, Joshua Dong and hope you're enjoying your Spring!

Sincerely,

Miss Tami and Mrs. Laura
