of the Society of Our Lady of the Most Holy Trinity

Autumn Begins...

Dear Families and Friends of Our Lady's Montessori School,

God's blessings! We are excited to begin our fall semester and the new things that are planned. I would like to introduce our three novices. Sr. Maria Kristina from the Cayman Islands, Sr. Melinda Marie from Portland and Sr. Mary Heather, a native of Indianapolis will be serving at the school during their Apostolic Year of formation in religious life.

We also look forward to the initiation of our **Catechesis of the Good Shepherd** program, which begins in October. The program follows the liturgical calendar and helps the children become familiar with scripture and liturgy with a focus on Jesus, the Good Shepherd. Sr. Mary Elisabeth will be working with the children in this program. Please feel free to ask her about it!

We are so thankful for September, the arrival of the novices, staff settling into their new schedules and our new children! We still have a few openings for our Little Saints room (1&2 year olds); if you or a friend are in need of care, please call our school office.

We have begun collecting donated items for Our Lady's 1st Annual Garage Sale, which will be on Saturday, October 9th from 8am-6pm. Funds raised will go toward our school operating budget. We still hope to collect larger items, such as furniture.

We welcome anyone who would like to volunteer during the garage sale, especially siblings or young adults in need of service hours. The more the merrier!

The school is progressively growing; we hope to finish the oratory this month and strive to raise funds to complete our total kitchen renovation.

Look for Our Lady's Montessori School coming soon to Facebook!

Little Angels

Wow! This summer has really passed fast. It's hard to believe September is already here, and with Sept., brings the beginning of a new school year. We hope all the parents who made it to 'Back to School' Night, learned something new about their child's classroom and feel more welcome to participate. We look forward to visiting the pumpkin patch and 'Our Lady's First Annual Garage Sale'. Janelle and I will be here on October 9th to help raise funds for the school. We hope to see some of the friendly Angel families and faces.

It is a joy and a pleasure to work with your little angels.

God Bless, Carolyn and Janelle

Little Saints

We are thrilled to begin our **Little Saints'** class. We especially welcome two new saints, Yifan and Karsten! So far we are allowing them to explore their new environment. It seems we have avid gardeners, silver-polishers and Picassos in the making! It is a joy to watch them at work and play.

We welcome our new teacher, **Annie Boelte**. She has a Masters in Special Education: Learning Disabilities. She is passionate about child development and the emotional intelligence of the child. She looks forward to making the school environment as nurturing as possible. Please feel free to contact her at any time.

Blessings,
Annie & Song

Disciples

The Disciples seem to love the cooler weather. We are able to enjoy the insects, especially the grand daddy long legs, the call of the locusts in the trees and forecasting the morning weather.

The classroom has really begun to settle down and has a peaceful energy. We have really enjoyed being able to observe the children in the new environment since they have moved rooms from the summer. Our daily work begins at 8:30; when dropping your children off, Miss Jess will greet you at the door, allowing for Mrs. Colleen to continue her lessons on circle.

If you have any special concerns, please feel free to set up a time with Ms. Colleen. God Bless, Colleen & Jess
